# Foreword

The annual staff proudly presents Quit-Qui-Oc 1968. As we read this yearbook, let us not forget the many hours and the tireless effort the staff has spent in its compiling. As advisor, I am proud to have been associated with these people, and I feel they have done an extra ordinary job.

As the years pass, this annual will probably provide us even more enjoyment than it does at present, for pleasant memories of the past school year are recorded here for us to view again and again.

Especially to the seniors will this book be a source of lasting memories. Hopefully, it will help them to remember a happy and fruitful career at PHS. To us remaining, may it serve as a reminder of a year well spent and a job well done.

*Bill L. Hadler*

# Preface

The 1967 - 1968 school year is almost over and will soon be but a memory. We hope the 1968 edition of Quit Qui Oc will make this a happy memory for all Plymouth students.

The school seal on the back cover is not the seal of this building, but of the students themselves. It signifies their hopes and ideals, successes and failures, and their life and vitality. It is a symbol of the students, and as such, the 1968 annual staff gives it to Plymouth High School.

The Quit Qui Oc is the story of our school and the people who compose it. In this fifty-third edition we have tried to capture the spirit, the life, and the faces of Plymouth High.

## John C. Richards

The 1968 Quit Qui Oc is in honor of a man who has played a significant part in building the image of P.H.S. He has always guided his students toward the right decisions, and aimed them toward higher and better goals.

For giving so much, and asking so little, the Class of 1968 proudly dedicates the 53rd edition of the Quit Qui Oc to Mr. John C. Richards.

# Board of Education

Mr. Amundson, Mr. Gaynor, Mr. Weisse, Mr. Grahl,  
Mr. Prange, Mr. Kaufmann, Dr. Alvarez, Mr. Miller.

The Board of Education makes the policies under which our school operates. The building, operation, maintenance staff and curriculum of Plymouth High School are matters dealt with by the Board.

The Class of 1968 wishes to thank the Board for their efforts and accomplishments in the operation of our school.

## Superintendent of Schools

In 1963 Mr. Amundson was awarded a Fulbright Scholarship for study in the United Kingdom and Norway, and in 1966 he was a member of a 15-man education study mission to the Soviet Union. He is president-elect of the Wisconsin Association of School District Administrators. He will serve as president for the year beginning July 1, 1968.

## In Memoriam

David J. Sloan

On November 11, 1967 Plymouth High School lost one of its outstanding students in a tragic car accident. David Sloan was active in both scholastic and extra-curricular activities. He was well-liked by his teachers and fellow students.

The Class of 1968 would like to express our deepest sympathy to Dave's family.

"Death's but a path that must be trod, if man would ever pass to God."

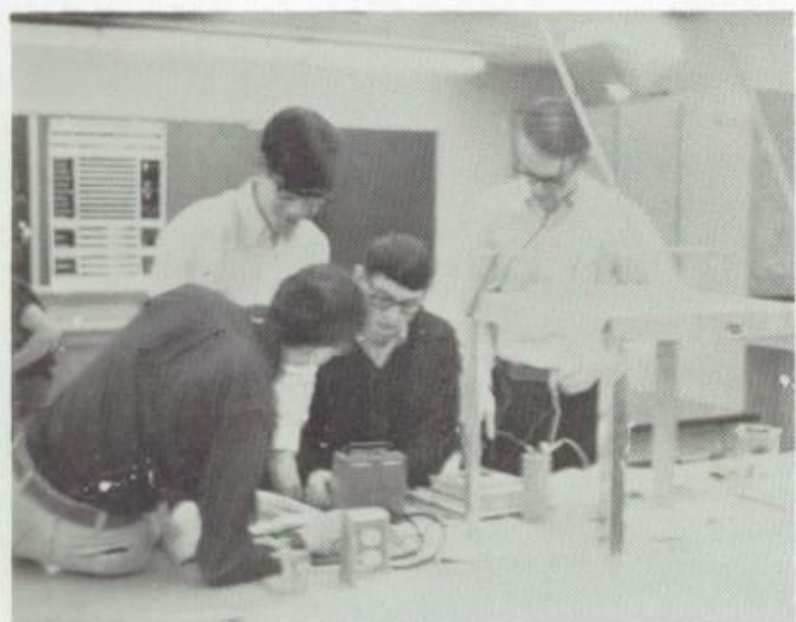

Senior Pigpen!

Ring Around the Rosie...

Bye Everyone!

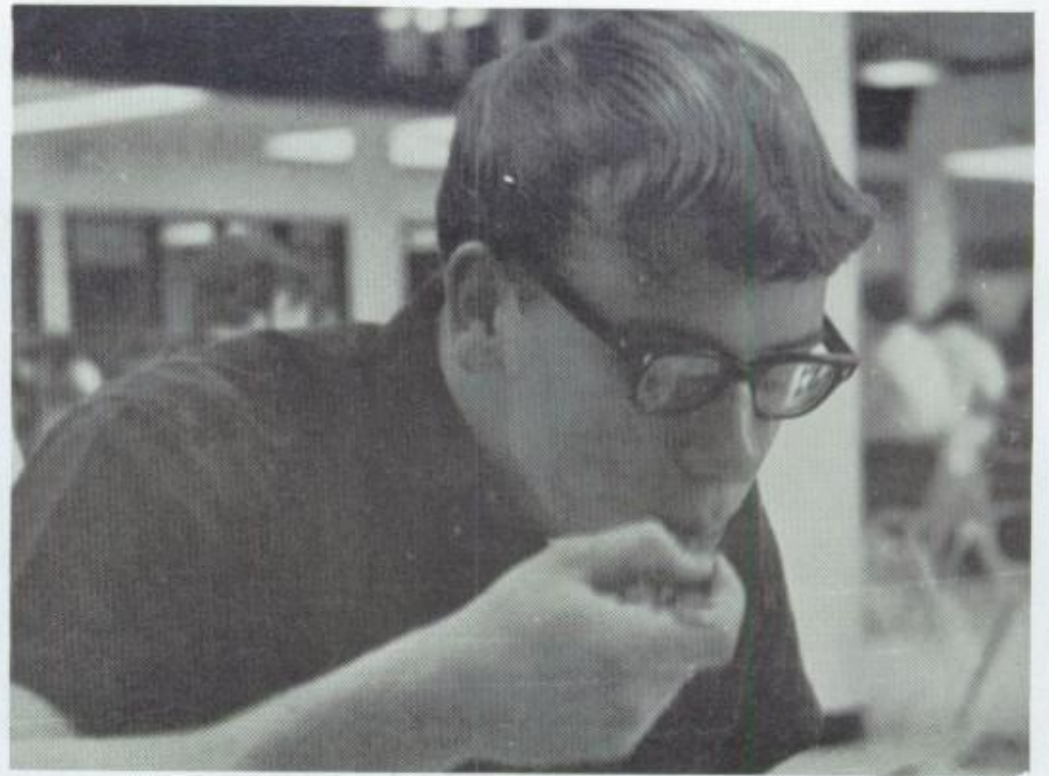

The Brains at work, would you believe?

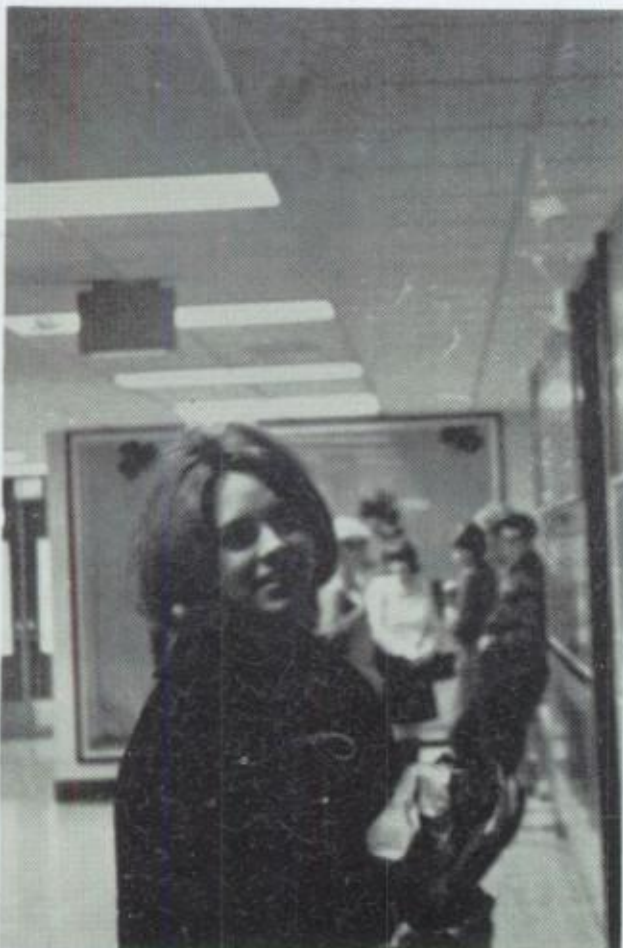

Thirsty tool

Seniors do get hungry!

The Dead

His locker is that way, Diane.

Naturally!

## Nen Ong A.F.S. Student From Viet Nam

Dear Panther Friends and Staff,

Writing those good bye words, I am conscious that those may be the last words which I say to you. The letter is so poor in formality, however, it expresses significantly what I felt, how I enjoyed during a short time in Plymouth.

Silence, meditation, curiosity, interesting and wildness are some of my characteristics which had been happening in my one-Plymouth - year - life.

Since day to day after my first coming here silence, meditation did not exist, but to be replaced by curiosity, interesting, exciting which had affected me from school activities (e.g. cheer-leading).

From you, my friends, I had learned what I had never done before, you had advised me what I should need after.

It is fully to thank all P.H.S. staff who gave me a fixed impression of kindness and enthusiasms.

However, those who brought to me these impressions must be said that they are my dear American family Mr. and Mrs. Arnold Bohn who had given me what I need, shared with me even in minute of my sentiment.

Not yet, Mr. and Mrs. L. A. Kingman, A.F.S. Chapter, who have no child, you may guess how they love me. I would like to say good bye and thank you, all Plymouth A.F.S. Chapters.

Someone asked me, "Nen, what is the most effect on your emotion in your Plymouth year?"

I would say — "It is fifteen below zero."

I'll bring home with me the effection of Plymouth frozen temperature as I impress in my mind all of your kindnesses.

We lost the game, but we had lots of fun. Raggedy Ann Dolls entertained at half time and the winning floats were displayed.

## Alma Mater

Our strong bond can ne'er be  
broken  
Formed in Plymouth High  
Far surpassing wealth unspoken  
Sealed by friendship's tie.

Alma Mater, Alma Mater  
Deep graven on each heart  
Shall be found unwav'ring true  
When we from life shall part

High School life at best is passing  
Gliding swiftly by  
Let us pledge in word and deed  
Our love for Plymouth High

Alma Mater, Alma Mater  
Deep graven on each heart  
Shall be found unwav'ring true  
When we from life shall part.
